

## INSTRUCTOR GUIDELINES – FIREFIGHTER III PRACTICAL SKILLS EXAMINATION

1. The following pages consist of the elements for administration of the Firefighter III practical skills examination.
2. This practical can be given in segments of one subject at a time, in modules or in total. ALL PRACTICAL SKILLS MUST BE COMPLETED BEFORE SUBMITTING THE **APPLICATION/VALIDATION-ATTESTATION** TO THE DIVISION OF PERSONNEL STANDARDS AND EDUCATION AS PROOF OF PRACTICAL COMPLETION. Certification is contingent on the receipt of the **APPLICATION/VALIDATION-ATTESTATION** indicating successful completion of all skills. The **PRACTICAL KEY** should be retained in the individual's training record indicating completion of the required practical skills
3. The APPLICATION/VALIDATION-ATTESTATION Sheet must be signed by the Fire Chief of the Authority Having Jurisdiction (employer) and a Certified Fire Service Instructor II.
4. Instructor Requirements: Each evolution must be signed by the instructor supervising the practical and an observer that attests to the fact that the evolution was conducted.
5. The practical skills are included in the Instructor Reference Manual except where indicated by an "\*\*".
6. Practical evolutions that require vacant buildings or props, which are not available, may be simulated to the extent that the skill is still performed.
7. Skills must be administered with utmost caution for safety and by using appropriate NFPA Standards. The firefighter shall wear all protective clothing that would be required on the fireground during an actual incident.
